Support That Changes Everything.

Caregiving can change everything in an instant. Meet Juan & Jesus: two brothers whose lives changed when Jesus needed full-time care.

At just 26 years old, Juan was working as a truck driver at Mohawk Industries, focused on building his future. He suddenly became more than a brother; he became a full-time caregiver and provider. With support from United Way of Northwest Georgia, Jesus attends RossWoods Adult Day Services, providing him with a safe place to go. Juan can continue working and caring for his brother. Thanks to United Way, families facing crisis can find stability, dignity, and hope when they need it most.
