

DUSTIN'S JOURNEY

From barriers to opportunities.

Diagnosed with a developmental disability early in life, Dustin struggled to find meaningful work until he connected with Cross Plains Community Partner, a United Way-funded partner. With the support of his job coach and community-based services, he built confidence, gained real-world skills, and found success at Dos Bros Mexican Grill. Today, he's a valued employee, mentors others, and lives more independently. **"I never thought I could do all this," Dustin shares. "But now I know I can. I feel proud of who I am."** His story shows what's possible when we invest in people. When you give to United Way of Northwest Georgia, you help turn barriers into opportunities and dreams into reality.
