UNITED WAY
Northwest Georgia

Successful foundations start here.

Long-term success, for both children and parents, starts with early childhood and youth development programs.

Meet the Colóns: A hardworking local family who found more than childcare at Whitfield County Dalton Daycare, they found a foundation for success. With support from dedicated teachers, their daughter entered school with confidence, and their son, once struggling with speech delays, found his voice. This is the power of early education. Thanks to United Way, children like theirs are gaining the skills they need to thrive. When children thrive, our whole community grows stronger.
