UNITED WAY
Northwest Georgia

helping ALICE families thrive.

When Kendra entered the Transitional Housing Program, her family had just been evicted, her son was diagnosed with autism, and life felt overwhelming. Like many ALICE families—Asset Limited, Income Constrained, Employed—she was working hard but couldn't get ahead. Thanks to United Way's partnership with The Salvation Army, Kendra found stability, financial guidance, and a safe place to rebuild. Today, she's thriving at work and creating a better future for her family. Your support helps ALICE families like Kendra's move from surviving to thriving.
